## CYBER

Our Cyber team provides a bespoke solution in arranging coverage and high capacity placements within both the Lloyd's Market and Company Market. We can offer a wide range of insurance policies that can be tailored from SME to large corporate companies as well as reinsurance and school pool programs. Cyber Insurance protects companies against risks resulting from unauthorised use of or access to electronic data and software within a client's business.. The damages and costs (both first and third party) for dealing with cyber-attacks are continually growing.
