CONTAMINATED PRODUCTS AND RECALL

Manufacturers in the food and beverage industries are experiencing higher frequencies of incidents with much larger claims. Any firm who manufactures or processes food and drink products have a Product Recall exposure and contamination to products can be carried out by both malicious and accidental means. In both the short and long term there can be considerable costs in dealing with such incidents which is why it is key to ensure that clients are protected for the costs in managing any contaminated products incidents. Our policies will provide in-depth cover to protect a company's balance sheet and their brand.

Insured events covered by the policy:

- Hospitals
- Doctors
- Individual Practitioners
- Pharmacies
- Dentists
