## KIDNAP AND RANSOM

As organisations expand their operations into ever more high risk territories, they may be sending their employees into areas where their personal safety cannot be guaranteed.

AssuredPartners London are a Lloyd's Broker with full access to the global insurance and reinsurance markets. We strive to provide solutions to the risks faced by our clients in this modern and ever evolving corporate world.

Our specialist knowledge and market access enable us to provide the solutions you need to operate with confidence.

A Kidnap and Ransom policy provides protection both for individuals and their families as well as extortion (including products extortion) in the face of increasing threats worldwide.

### WHO is covered?

- Directors, Officers and Employees of Commercial Organisations - from small companies to household names. Cover can apply to named people only, if required. All relatives of covered persons are also automatically included
- Alternatively, a policy for private families, individuals and small groups of shareholders (and their families) of privately owned companies. Cover is issued on a named person basis
- Client confidentiality is an utmost priority as disclosure of the sale or purchase of the product may void coverage

### WHAT is covered?

- Financial reimbursement of costs associated with an insured event, up to the policy limit
- Guaranteed, immediate access to specialist kidnap response consultants. Their role is to advise the family or company on the complex and sensitive issues that need to be addressed in order to obtain the safe release of the victim. The fees and expenses of the response consultants are unlimited following an insured incident
- Customers are offered security advice documents to help minimise their exposure to risk. There is also assistance available for risk prevention training
